

Hammond Organ

Many, many years ago we were gifted with a small Hammond Organ. However, we have never used it and with the recent repair to our large organ upstairs there is no need to keep this organ. Our hope was donate it to a local cause. We have offered it to a number of people but they have no need of it. We would prefer to give it to a local cause or to an individual. If you know of someone looking for an organ let us know!

Our Bell Tower

One of the images that defines our church facility is our bell tower. Atop the tower sits the cross which conveys our dedication to Christ and His work. It is our hope that we will always represent Him well throughout history and the future still ahead of us.

Recently, it became apparent that it needed a new paint job (\$4,500.00). Thanks to the Henke Family (Lorren, Roxy, Rachel and Tegan) the tower was prepped and re-painted. It once again gleams in the sun and will remain a beacon to others.

New Members

Over the past year we have celebrated baptisms, communion, and new members. It is time to celebrate again all the people that call Faith their home. The Fellowship Team will be meeting in July at Pastor Brian's house to determine a date and a way to celebrate our new family. If you are not currently a member and would like to become a member contact any member of the Leadership Team or Pastor Brian. Below are two most recent baptisms: Reagan Ulmer & Owen Tracy.

FAITH community church

Summer 2019 Newsletter

Tables & Chairs

For a number of months the Leadership Team and ministry teams of the church have asked to purchase round tables for the fellowship hall. We want to be good stewards of God's resources so we determined to wait until our offerings demonstrated the ability to keep up with all our bills, including the care of our new pastor.

In June the Pinke family donated 13 round tables and 80+ chairs. Now we have round tables, more chairs, and the ability to lend them out to the community to use in a variety of indoor and outdoor settings. Just another way we can honor our community.

Painting & Preparing

We did some spring cleaning to our fellowship hall and classrooms but we realize we need to repaint! So, we need to raise \$600 for the paint. Watch for updates and the Date To Paint in the weekly bulletin. Thank you to all those that helped to do a spring cleaning: Larry & Jeanne Walth, Mary Ann Weber, Angel Hendrickson, & ???

Technology Updates

The expected health insurance costs for the pastor were not as high as expected so the Leadership Team made the decision to add to our ability to serve the church and our community. Below are the additions:

- New Color Copier
- Internet Service at Church
- Online Giving Capability, RebelGive, and Direct Deposit.
- RightNow Media resources for all church members.

Yet, despite all these new items that we have added we are still below our expected budget and our giving has been consistent and faithful.

Parsonage Garden

We are very grateful to a number of people that have helped us begin using the garden behind the parsonage. Jeremy Goebel tilled up the soil, twice, Geri Wanner and Bill Nitschke helped Angel plant and learn how to tend to the garden. We are hoping for a great harvest that we can share with others.

Parsonage Kitchen Update

One of the things the Kemmet family, especially June, wanted to see happen was an updated kitchen in the parsonage. The Kemmet family has donated over \$2000 towards this and the Pinke Family (Eldon, Caroline, Nathan, Katie, and children) have donated \$10,000 towards the costs. We are still needing another \$4,700.00 Before we start the project. Again, as good stewards we do not want to take money from savings to pay for this update. Total budget is \$18,000.00.
